megapurrs are coming to Base!

MEGA (Make Ethereum Great Again)

What are megapurrs?

- megapurrs is a 10k collection on Base and the natural evolution of mfpurrs, a free mint on Etherscriptions released in June 2023.
- All megapurrs and mfpurrs art is CC0 and done by the amazingly talented Ariana! She painstakingly drew every mfpurr trait in a completely new style for megapurrs, and then our based dev Max generated a 1:1 match for each cat.
- Each megapurr has a matching mfpurr on Etherscriptions, check them out on mfpurrs.com or trade them on Ordex.

How will the drop work?

- All announcements will come from my X ([X.com/VirtualAlaska](https://x.com/VirtualAlaska)) and Warpcast (warpcast.com/virtualalaska) accounts simultaneously.
CONSIDER ANY OTHER ANNOUNCEMENT OR LINK TO BE A SCAM.
- megapurrs will launch on base in 2 phases...1st phase is a free claim for mfpurr holders and 2nd phase is a public sale.
- A snapshot for mfpurr HODLers is upcoming and will be announced. During the free claim, mfpurr holders will be able to claim ALL megapurrs that they own the corresponding mfpurr for, as shown in the snapshot.
- The free claim will last for about 48 hours, and the public sale will immediately follow.

- HODLers of mfpurrs should bridge a bit of ETH to Base in order to pay for gas to claim your megapurrs. You should only need under \$1 or so to claim your megapurrs, regardless of how many you have. The Coinbase and Orbiter bridges are quick, easy and cheap.
- Minting will be hosted on our website, which is yet to be revealed. **My X and Warpcast accounts are the only place where the link will be initially posted!**
- There will be a fun surprise in the contract for minters! 🐱

We built something special with mfpurrs. Now, it's time to go bigger... bigger art, bigger audience, bigger purpose.

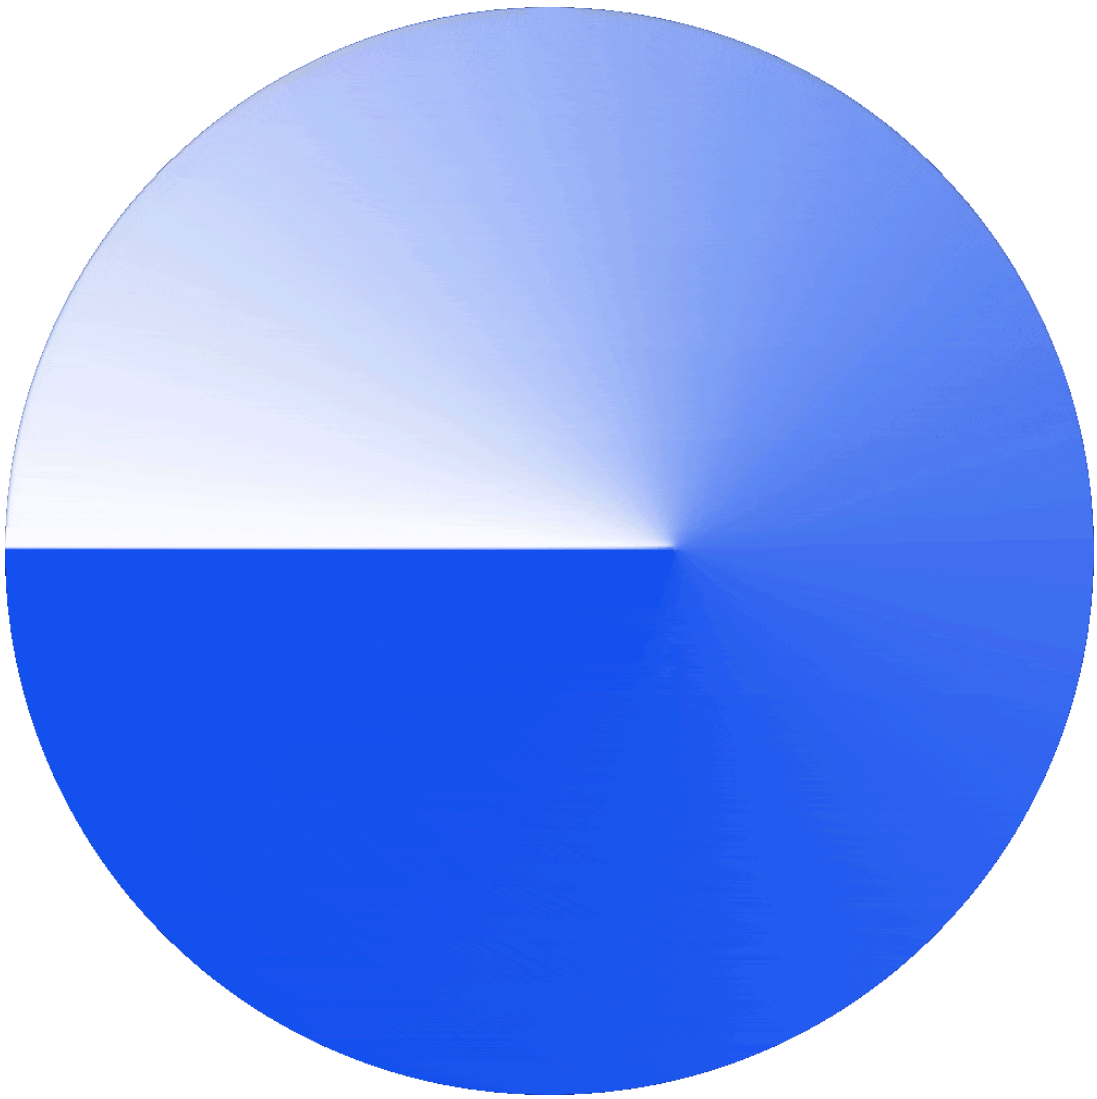

megapurrs is an opportunity to reward mfpurrs holders and integrate them into a new and booming ecosystem on Base. We have some really fun surprises in store for this collection, but remember...

A yellow rectangular banner with a space theme. On the left, the text "One subscription. Endless stories." is in large, bold, black font. Below it, in a smaller black font, is "Become a Medium member for unlimited reading." To the right of the text is a stylized illustration of a white star with a black outline, surrounded by several smaller black stars and a black orbital ring. On the far right, there is a black rounded rectangle with the white text "Upgrade now".

We don't have anything to prove. You can't phase or FUD us, we're literally just cats on the blockchain.
